“ We can't begin to imagine what you are feeling, but please let us share our heartfelt condolences. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away.

“ Stephanie and I (Dr. Nykamp) will miss Mr. Paxton dearly. He was an amazing part of our Indian Creek Elementary School fabric for more than 20 years. It was a joy to see him each time he visited, even many years after his sons moved on to middle school, high school, and higher education...he even brought them to see us on his visits too and they were always smiling that Paxton smile!!! They've become such fine young men...undoubtedly a reflection of their dad. :)

We send our LOVE to the family, his wife, his amazingly talented sons, and all others who knew and will cherish his memory. He was a gift and blessing to so many.

Thank you God, for sharing him with us...even for a brief time.  
Peace and love. ❤️
