“ *I just got the news via Greenforest Community Baptist Church's weekly newsletter. My sincerest condolences to the family. I met Nate and his sons when we were both Little League baseball coaches. We became friends, learned we were AphiA fraternity brothers, and ended up at the same church! Nate was truly a good brother and I will certainly miss him. I will look forward to seeing him again in eternity!*

“ *Ingrid, I remember the first time I met Nate at a conference. I actually did not know he was your husband. He was sharing a story about you and you walked up in the middle asking what we all were talking about. He just smiled. He had that million dollar smile and I loved his personality. Roy and I both send our love and you and your family are in our prayers.*

*We call "Par", for the crystal that shine and the candles we light to help guide your spirit during this forty day flight. Be steadfast as you shed the frame that you were given to live this game. Once your role began with your spirit bright, remember to help us keep it right. Know that, that twinkle you put in our eye, means to us it is not goodbye. Until we meet again.*

*Hello Ingrid, I will indeed miss by beloved brother and the wonderful time we spent on the Golf Course. Especially the Jim Clyburn tournament we participated in. We had so much fun. Even that Sunday when we discovered after 15 holes that we were on the wrong Golf Course did not deter from the wonderful time we had together.*

*Nate and I often saw each other since we lived in the same dormitory. He always had a smile on his face after graduation we lost contact until about two years ago at SCSU Homecoming. I later called him when we returned home. My condolences goes out to the Richburg family. We had talked about visiting whomever came to where the others hometown. But Corvid-19 came along and Nate has transitioned. Rest in peace my friend*
