“ Ms. Shirley sending hugs your way 4 1/2 yrs later.
Ned aka Mr. G.Q sharpest and smoothest man I had the pleasure of knowing; he took me under his wings and trained me at MARTA in the Data Center; once my 6 weeks internship was over he told management we need her and the manager said get the paperwork work; he went right down to HR and made it happen; because of him I put in 33yrs; now that I've retired last month it hurts to know he's not here to celebrate with me; it hurt even worst when I lost my Mom May 2021 and I was trying to figure out how I was going to tell him; we had just talked a week before. Unfortunately he passed away a week after her with know warning; and the hurt part I didn't find out till 6 month later 😞😞that hurts; I can't and will never will forget Nes; This year will be 5yrs into forever and he is still miss; Ned my Buddy/Friend Continue to Rest in Heavenly Peace; I heard there's no place like Heaven so 😊❤️🌹🙏

“ My lasting memory of Ned was how he never ever had any pretense about him. He was the genuine article a straight shooter that was just as comfortable in a boardroom with power brokers as he was with someone Down on their luck at a local carwash. He had that "IT" factor. That ability to always command attention just with his natural personality.
The first time I met him he made me feel like I was not just welcome but like he had known me forever I was a part of the group.
He was the textbook definition of SWAG but above all else a good man a real man

“ *Ned and my brothers Allan and Rodney were friends from the day we moved into 1165 Union Avenue. They were also friends with the Canada boys. We were tight as friends could be. We were a circle and now the circle has been broken but bot the invisible bond of love and respect. Ned was cool, he was easy he was my friend. I will miss him.*

“ *Carla and I send our condolences to you Shirley. I will always remember our times with Ned; the deep conversations; the many, many concerts and cruises; the meals; the libations and lastly the laughs. He made me think and I hope I did the same for him because the least I could do to return the debts owed to his spirit which will last in me for as long as I'm alive. I called him a few weeks ago because his spirit called out me, then I learned of his transition last week. He's one of our ancestors now and his hard work has just begun. Thank you Shirley for sharing him with us and let us know if there is anything we can do to help get you through these times.*
