

Neville Alexander Smith, Jr.

March 18, 1958 - March 6, 2025

With profound sadness, we announce the passing of Neville Alexander Smith (Afro), 66, of Georgetown, Guyana on March 6th, 2025. He passed away at Emory University Hospital in Atlanta, GA from heart disease.

Our hearts are broken from his sudden passing, we are still in disbelief. Didn't matter what he was going through, that never stopped him from living his life and dressing like a star bai. He also struggled with diabetes for many years but regardless of his own pain and suffering, he showed up for his family and always worked hard. He was someone who knew how to live — taking advantage of every moment that arose. Neville loved to cook; he was considered the chef of our family.

He is now reunited with his mother, father, son Augustino, brothers Anthony Smith and Compton Smith. We can picture him, running around without any suffering and having a dance with his mother again.

He is survived by his 7 children (Marsha, Neville, Devon, Donetta, Keevan, Jamaul and Shaquille), siblings (Angelico, Veronica, Kenrick, Elfriego, Derrick and Walter), his favorite nephew Antonio (his words not ours), aunts Yasmin and Sandra Khan. Thirteen grandchildren and his devoted friends Duff, Danny and countless others.

Neville will be cremated in Georgia and his ashes will remain in the 2 places he called home here on earth. Georgia and Guyana.

He Is Not Gone

Ease your grief, he's not gone
For in your heart, he lingers on.
His smile, his laugh, his special way,
Will comfort you, from day to day.
We'll feel his presence in the breeze,
That dances gently, through the trees.
And it's his face that we shall see,
When we're in need of company.
At any time, you can recall,
The love you shared... You saved it all.
And in time, more than anything,
We'll find peace in remembering.
