“ I met Nick through PHWFF - Atlanta Region. He was always full of life and interesting to hear what his latest escapades were. He and I fished in the Albacore Festival in 2019 prior to the pandemic. He was so supportive and yet competitive.

*I thank my Brother for his service, and his caring and loving attitude in life. He will most definitely be missed but NEVER FORGOTTEN. It was a kick in the gut when I learned of his passing. 39 is young, but I know this Warrior gave it everything he had in fighting his heart issues. My deepest condolences to his family, friends, Comrades, and the special people in his life. May you Rest In Peace. We will carry your legacy forward in our own words of stories and experiences when talking to others about you.*

*Slow salute.*

“ *My name is Tabatha and I was his nurse at the Shepherd SHARE Military Initiative Program in Atlanta. Nick was kind. He was unlike any veteran I have come across. He had a gentle spirit. He loved Crystal to life. He was hopeful and excited about being her husband. He was a wonderful spirit on earth and I pray he watches over all of those he cared for. I am certain he will. He will shine his light often and remind you of how huge his heavenly heart is. You will be missed by so many Nick. I pray for all his family and friends during this time.*
