“ Nic Nitro,

*I sit in disbelief that the world has lost yet another vibrant soul. This pic of you from June of this year shows you jamming out, sharing that beautiful spirit that was so contagious and gave people the motivation to serve, to love and care for one another, and to be some of the best sides of themselves. You were always there doing that for people, and I hope you knew that.*

*I'll never forget meeting and getting to know you on our DL EZE HFH Build, and the many years of friendship to follow. It goes without saying those settings won't be the same ever again. I'll miss those bright moments of seeing your face, getting a hug and sharing crazy stories. This will be a different world without you, and you will be sorely missed. 💔*

*To Nic's family, he is inevitably a product and a part of each of you, and so I hope that you can all be proud of what a positive impact he made on so many peoples lives, across the country and even the globe. You likely know this already, but you'd be hard pressed to find a Delta person that was involved in any volunteer events who wasn't impacted or motivated by his beautiful spirit. I'm so, so sorry for your loss.*

*With Love,  
Lacey*

*To the family of Nic Francis,*

*Nic always managed the media visual aspects of our annual United Way event at the Delta Flight Museum. It gave me comfort to know that Nic would be the person assigned to the task because I knew that he would ensure that the technical aspect of my program would be perfect--and so it was! He was the consummate professional, took pride in what he did, and his customer service was second-to-none. May he rests in heavenly peace. Nic will be sorely missed.*

*My condolences to Nic's family, friends and colleagues during this difficult time.*

“ *I had the pleasure of working with Nic at the Delta Flight Museum for an event in September 2021. He was a kind soul, very helpful, enthusiastic, and always smiling. I don't think the word "no" was in his vocabulary! We had a really nice conversation on-site and shared our common interests in French culture. I know his family and friends will miss him and that everyone at the Delta Flight Museum will miss his presence and great energy. Our thoughts and prayers are with his friends and family.*

“ Nic,

*I pray the heavens have welcomed you and you're well mind body and soul. This one really hit hard as you are such a kind soul. I had the pleasure of just meeting you in 2021 as the world was reopening and we were allowed to gather to serve and volunteer. You truly left a mark on this world and your great personality and musical skills will not be forgotten. Rest well my friend/cousin and know we'll take care of those you left behind. The delta family appreciates all you are. Until we meet again, Lisa and I will never forget you!*

“ You touched so many hearts dear Nic all over the world. Your killer smile and joyous personality filled us up every time we worked with you. Everyone always asked "Is Nic here" on any charity event, home or playground build because you were our happiness. You made a difference. You are loved.

“ Oh Nic such a blessing and friend to so many! Our last encounter at the museum and I'm so appreciative that we captured this moment! It was always good catching up and hearing about what you had going on! Especially your plane ride adventure so dope! Thank you for the memories throughout the years! So many memories to reflect on especially the global build in Argentina! Peace, comfort and God's loving around your family during this difficult time! Rest easy in paradise 🙏💔😭😭😭
