“ *What does one say about Nicole. Kind, loving, happy, godly, spiritual, loving— LOYAL, OPTIMISTIC- and mostly, one of the most AUTHENTIC people I ever got to have in my life.*

*You had the best smile, sweetest laugh, and kindest heart!*

*I am so happy that I got to work beside you and become a friend. I will always cherish the time we had together. 💜💜💜*

“ Dearest Nicole,

*Still haven't come to terms that you are no longer here. I know you are not in anymore pain and that you can now rest easy. I know Grandma Rosie is there with you with open arms. I miss you Nic. Everything the last few weeks have been a blur, but I can you see. I see you with Beans, telling her to stop flipping around the house, I see you with Mookie and when see peed on you after changing her, or that time she threw up on Jennifer. I promise to watch over our two beautiful daughters as you watch from the heavens above. Till we meet again, always with love.*
