“ Dear Thornton Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future “

“ I was so sorry to hear of the passing of Nikki, She was a special little lady who blessed me with her presence as a 10 year old, playing softball with me. She brought me such joy. always smiling , always Nikki. she made a HUGE impact in my life, A wonderful girl with a wonderful family. As I ran in to her through the years, she was still smiling and still talking about how often she was hit by pitches (ALOT)..
My deepest sympathy to her family. you were truly blessed with Nikki,
