“ Ms. Nina was Seth’s grandma and the best caretaker ever. She loved her “Sethie” more than words and for that I loved her so. She was genuine, and a strong precious woman. She will be missed so much by this family. Thank you Lord Jesus for allowing my path to cross the Morris’ family. I love you all and will be praying for you each day!

“ *Ms. Nina was always a fun person, always have words of encouragement for you. She also liked to help others. She participated in my wedding 21 years ago as a server at the reception and did so graciously. Sleep on in peace Nina. You will always be remembered.*

“ *Oh what a friend I had in my mother in love, Nina. She was my Naomi and I was her Ruth. We were two peas in a pod. I will always hold the essence of her being in my soul. Thank you Mom for loving me as your own. My heart is etched in love from you. God bless you my precious angelic mother. From God you came and to our God you return. Until we meet again my road dawg! I love you beyond this world!* 🥰🕊️❤️

“ We can't begin to imagine what you are feeling, but please let us share our heartfelt condolences. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.
