“ Sincere condolences to Noelyn's husband, Brother Courtney, parents - Bro and Sister Brown, siblings and other family members. May God strengthen you all during this most difficult period. Sister Noelyn was a dedicated and committed child of God. I remember years ago, as a younger person when she was in Jamaica, that some Saturday afternoons she and I would go into the lanes and alleys of the Grants Pen/Shortwood community and share the Word. It was a very fulfilling experience and she was always motivated to witness. Family members be comforted that it is well with her soul.

Heartfelt condolences to Bro Courtney, Bro and Sis Brown and other close relatives and friends of our dear sister, Sis Noelyn Elliott. May the Lord grant you the strength and the comfort needed to see you through this rough time of mourning. I am consoled by the fact that Sis Noelyn was a faithful child of God, both at North Kingston, her former church, as well as in the USA where resided and served faithfully in the Kingdom of God until her passing. For Sis Noelyn, death is just an entrance to a better place!

You served well Noelyn! We will miss you here, but you are in that better place!
Sleep in Peace my Sister!
