“ Tommy, there are so many things I can remember about you - but the most significant was your spirit - the optimist, the one who never let anything get him down - I will remember our summer expeditions, getting caught on the New Jersey Turnpike in torrential rain and parking under an overpass because it was so scary - getting lost on the way to DC and heading for Ohio....hundreds of memories - thanks for making all of them with me. Sleep on until our paths cross again friend....
