“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ Normisha worked for me at Labor Finders in Cumming in 2019 and I remember her well. She was always smiling and kept everyone else on her crew in check. I will always remember her telling me, “I love me some Ms. Debra” ! I was so saddened to hear of her passing so tragically. Normisha’s spirit will live on in our hearts. My prayers are with her family and friends. Go rest high on that mountain Normisha!
