With our deepest sympathy with the loss of your wife, Noveta Renee Watkins, we are so sorry. The sorrow that you feel, the heartache that you bear, though we cannot comprehend. Still Elizabeth and I deeply care.

May it comfort you to know, we stand with you at this time in a moment of sorrow. As patients of yours, we know your heart. We stand ready to do whatever to lift your family in prayer.

May you lean upon the Father, for He is always there. When we lost our mothers, the pain was so great. But through time and with our FATHER in our life, He remove the pain.

Our Father will remove the pain through time and you will have very fun memories of Noveta Renee for the rest of your life.

In closing, stand strong and continue the caring of your patients. Noveta Renee has entered into the kingdom of God. She is now secure, at peace and without any more pain.
