“ My most sincerest and heartfelt condolences go out to the immediate and extended family of Mr. O'Daniel Outlaw, Sr. He was a GREAT MAN and indeed a GENTLEMAN!!! I remember him from back in the day at Carver High School. He had wavy hair. He was respectful and an intelligent individual who seemed to always be in a good mood. There is a brighter side somewhere and surely Mr. O'Daniel Outlaw, Sr. can walk around HEAVEN all day. "Excellence is to do a common thing in an uncommon way" (Booker T. Washington). Respectfully submitted by: Artemus Flagg, Ph. D. of Charlotte, North Carolina.

“ My name is Maura Spires. Mr. Outlaw did taxes for me and for my late mother Lillie B. Spires for many years. He and my mom loved to talk history and current events. We both admired he and his family's success, my mom talked about how he worked for himself and was in position to employ his children. What a great legacy!

“ My condolences to the Outlaw family. God connected us in 1991 and I have been your friend and tax client for 31 years. It was always pleasant to see you each year during tax season and talk about progress we have made in our lives. You have been a true and honest friend. May God continue to watch over your family.

“ Rose and Family, our prayers, we met Mr. Outlaw over 30 years ago, we owed IRS thousands of dollars, a friend introduced us. He gave me and my wife a plan to work with going forward.it is still working as of this day. As he would say "young man" and I am much older follow this. Now is there any doubt when Heaven had an opening for an honest CPA Danny would be called, the interview went well. On his desk is a plaque that reads "GOOD AND FAITHFUL SERVANT". Again, our prayers Morris and Eula Carroll

“ Danny was my student at Lane College. I will never forget him and his studious approach to learning that never waned! He became our first business graduate to become a CPA. I often told my classes that there was only ONE BLACK CPA in Tennessee when I started Lane in 1956! When I joined Greenforest and served on the Board of Deacons, I was so proud of him and his leadership. May God be with the family always. Bernard Clay - Lane College 1956-1970.

“ Rose and family I was so saddened to hear of the loss of Danny. I hope you find some joy and comfort in remembering Danny and the life he lived. Please accept my deepest condolences for your loss. I remember Danny growing up in the New Hope Community in Brownsville. I have many memory of Danny. One of my fondest memories is being hired by Danny to work at IRS. My first day on the job, Danny took me into the conference room to introduce me to the group. Because I have somewhat of a unique name, he introduced me and said, I bet no one can spell her name. He was such a pleasure to work with. I can see that he still had that great smile. Keeping you in my thought and prayers. Gardenell Springfield

“ Danny was one of my most “treasured” friends. He was a devout Christian who would always lift up the Lord and his many blessings. He has touched and blessed so many lives. I have a permanent emptiness in my life with the transition of Danny. He has now joined the faithful saints who no longer have to deal with the sins of this world.
