“ To My Dear Extended Family,

It is with great difficulty that we are expressing our deepest condolences for the loss of Odessa. She bore an immense love for her children, family and friends, and her infectious smile was a beautiful reflection of this. We have many fond memories of family events where her children, Melanie and Spencer and Thaddeus, would snuggle up close to her, regardless of their age.

As we come to terms with this loss, we want to take a moment to acknowledge the unwavering love and devotion that Odessa showed to her family. Her compassion, kindness, and warmth will not be forgotten. We hope that cherished memories of her will bring comfort and peace as we mourn her passing.

We extend our sincerest love and sympathy to you during this incredibly difficult time. Please know that we are thinking of you and hold Odessa dearly in our hearts.

*With love and sympathy,
The Cooke and Galloway Family*
