TO THE FAMILY...

My deepest sympathy goes out to you all. I realized that no words can ease the pain that you're feeling right now, I hope it will help to know that I share the sadness with you all as you remember your lost loved one. When you look in the mirror today, tomorrow, just remember that person staring back at you is a part of God's most beautiful Masterpiece that has taken her journey home. Know that our love ones don't go away, they walk beside us, unseen and unheard. Praying that God will give you all peace, understanding, comfort and closure. May God bless and keep each of you safe and healthy. I loved Mrs Randolph and she will truly be missed. R I.P. 🙏💔
