“ To: The Family of Olevia Smith,

*I was so saddened to hear of the death of Olevia. She was a wonderful person with a wonderful soul. She inspired me to do more and think deeper. I was in awe in how she took swimming lessons and enjoyed doing various activities to better herself not only physically but mentally and spiritually as well and encouraged others to do the same. She will be missed. May she rest in peace.*

*Always,  
Ms. M. Rodriguez*

“ To Vanessa, Bernadette and Stewart Smith family,  
My condolences and prayers are sent to you as your mother and loved one, Olevia has made her transition. Although I cannot be there in person know that I am praying for you all. I remember Olevia from my time in Wisner, La. She had a wry sense of humor. I remember her thoughtfulness when I lost a loved one. She sent me a book on grief. She always honored her calling of God in helping people.  
Keep always your memories of times shared and one day those memories will bring a smile instead of tears,  
Love and Prayers, Karen Williams
