To the family of Molly. I am deeply sorry for the loss of your loved one. Molly was a very sweet, loving, caring woman. She showed her love for me every time I saw her in. Molly was just at my housewarming 3 weeks ago. We was talking and laughing together. Now we are preparing to say so long to such a Beautiful person. I been knowing Molly since the 1990's when I moved to Atlanta. I met Molly through my friend Cynt. This is so heartbreaking. Molly also lived her life by helping, cooking, loving and braising other's who needed her. Rest on Molly. God wrap her family and friends in your arms very tight and don't let go. Children's, grandchildren and great grandchildren and families my prayers are with each one of you. Love Liz
