“ To Michael and the Wells Family:

Please accept my apology for being unable to pay my respects in person with you all today at the Home Going of your mom, who I affectionately also hold near and dear in my heart as - "Mom Wells."

Due to my inability to pay my respects in person today, and that I have far too many special memories that I could share of the profound impression of your mom that will forever remain etched in my heart.

Please accept my Inspirational Love Notes Poem Dedication to you and your family attached, that I wrote today - as I processed my own grief from the news of her passing, with you and your family heavy on my heart and mind.

I wasn't sure of the best way to send it to you - so I will leave it here in hopes you and your family will receive it, as my offering of paying my honor and respect to your family and the life and legacy your mom leaves with you all.

***** Poem Dedication*****

*May you warmly feel the hug,
I am sending you through my words
with my deepest, heartfelt,
condolences today...*

*May the prospering power
of our Lord and Saviors
Holy Spirit,
comfort you and your family
through this very difficult time
in your lives, I pray....*

May your hearts be

*a sacred container,
where the love and legacy
of your mom will eternally stay....*

*May your most fondest,
cherished memories of her
be like a time capsule of love;
that gives rise with a slow
and steady - sweet release,
to the surface of your mind;
that lifts the weight of the void
from her absence away....*

*May the peace of God,
that surpasses all human
understanding be with you
and your family;
as you lay her down,
for her final earthly rest;
and the last respects
of family and friends,
who also loved her,
has had the chance to
come and pay....*

*May you find solace
in knowing she's gone on
to receive her crown of glory,
for a job well done, God's good
and faithful servant;
Bestowed upon her head,
like a most honorable
Divine flower bouquet....*

*As all the Angels of Light and Love,
along with your other family
members in Heaven,*

*await her arrival with sheer delight;
and a Heavenly Welcome Home
Olivia, celebratory soiree....*

*With my deepest, sincere prayers
and sympathy;
it is my hope that you know
how much my heart is grieving
with and for you,
far more than my poetically expressed
words here can convey....*

*- Forever,
a dear friend to you, Michael A. Wells,
and the entire Wells family,*

I met Miss Wells 25 years ago when I first moved into my home, and her house was directly behind mine. From the very beginning, she welcomed me with warmth and kindness. She was wise, caring, and always willing to share a listening ear or a gentle word of encouragement. Miss Wells, you will be deeply missed, but your kindness will live on in our hearts.

“ *I will always be forever grateful for Ms Wells love and care for my daughter Taris. She gave in home care for the 1st few years of her life and continued care throughout childhood for My cousin Destiny as well. Our family loved her and her family as though they were our own. She will be sorely missed. I will remember her smile, laugh and witty words. 97 years wow... what a life! May God comfort and strengthen the family during this time. 🙏*

Thanks so much for the kind words Tiffany. She really did loved those children with all her heart. They were her “babies”.
