“ I had the privilege of knowing Omari and bearing witness to the special young man he became. There are no words that can bring solace. I offer my remembrance that he was light, shining ever brightly reflecting untold potential and enthusiasm for his journey. I pray the Creator’s grace and mercy for the family in their bereavement. “ I spoke to him a few months back and ask him to come to a car show, he's so conservative he say gas to come to you is expensive. Now I regret not sending him the gas money because I never got to hang out with him. I feel guilty I didn't do enough for him.

“ Every time I saw Omari at a family function or reunion he was always in great spirits. Always smiling or laughing. Never had a frown on his face. He always brightened up the room. We will miss you Omari. You will never be forgotten.

“ I don't know how to begin to say I'm sorry for your loss. There's no words that can explain . I can only imagine what you are feeling, going through.. I am lost for words. I know what you're one and only means to you. A mother's love for her child/children is un-explainable. No matter what the people thinks, it's about you and them. My heart breaks for you because I know the love, care and passion for your son. I am sooo sorry and my prayers and thoughts have been with you from the moment I heard. You are a awesome mother and the Lord will bless and keep you.. I am here and will always be. 🙏🙏🙏🥹🥹🥹

“ Dear Debbie & Family. My heart is deeply saddened & hurting for you all. Although Mary knew she was on assignment to carry God's only begotten Son Jesus. Mary wept, When Jesus died upon the cross. It was still her "child " God has bestowed upon her...
Mary, Mary John's the Baptist Mother & Mary Jesus's Friend wept with Mary. I know Tanya is one of theses Mary weeping for you. Debbie, along with many Mothers are Weeping too in spirit & truth, With yous including myself. God chosen you, both to be parents &: Debbie for carrying one of his" Angel's" to bless the Earth for 25 Golden years. Weeping truly endures for nights, Joy will follow by the morning light. I don't know what day or night. I pray for all that was blessed to spend time with Omari. He was so handsome & intelligent. God surrounded Omari's life with Wonderful, Family & Friends to have met his Angel on Earth whom is preparing Omari's love ones for Heaven. I send this verse by way of the Lord Jesus, John :23 Verily Verily I say unto you. If you go before the Father in Jesus Name he'll give it unto you. I pray for peace & love that surpasses all understanding in Jesus Name Amen.
With love & special memories of Omari Sharon Davis, TeeJay, Rochester New York & Cleann Nancy of D.C ❤️ 🙏

“ *Debbie,
Faith is the substance of things to be hoped for, the certainty of things that appear not (Hebrews 11:1). I know your son was a source of great pride and love for you and your family and his light will forever be with you. There are no words in this moment that will ease your heartache, but please accept my deepest condolences. I am praying for peace and comfort during this most difficult time.
Love always,

“ May this poem I have written for families in times of sorrow bring you some peace.

I'll Always Be

On earth I was God's soldier. On earth I was a friend.

On earth I was none other; than a loved one; 'til the end.

Some say I was "More Than Special" Some say I was above them all.

Some say I dealt with reason. Some say I was their beckoning call.

But this was not my mission, my mission was my love.

And now my mission's over to be with my master up above.

A peaceful, restful journey is now what I must take.

And praise God for his glory for in his arms I'll wake.

But through it all I'll remember the love that walked with me.

The cherishing and guidance, which led me to be free.

I'll rest now from all worries. I'll rest now from all despair.

I'll rest where angels glory. As God's hand leads me there.

And as you have the memories.

Of what we all have shared. Remember that I loved you.

And thanks for being there.

“ To Omari, I can remember the 1st time I met you, so young but already I saw the brilliance in the creation of your models you made with the Lego Sets. So humble, so quiet but so talented. A true & loyal friend to your inner circle of friends. You will be missed but never forgotten. You influenced so many people young and old. So, Rest in Peace now. You are in the hands of the greatest caregiver. Your Great Aunt Pat.

“ Didn't spend alot of time with my nephew, but the times we had was enjoyable. Especially since we shared so much in common and mindset when it came to working on things and modifying what we owned to make them better. Plus it was great to have another nephew I could mentor again like I did with all the ones that came before him 🌹 . I'm gonna miss those days, but will always cherish those special moments 🤔🙏🙏🙏🙏🇯🇲
