“ I love you so much uncle-daddy. I'll always remember your role in my life. There are too many memories to share. I'll never be okay with you not being here, at every function, or your laugh making every joke funnier. I love you Onaji!

“ Over 26 years ago, Onaji and I became fast friends, and I will always be thankful for the friendship we shared. It was the kind of friendship that never had to be questioned—it was always understood and always there.

As the years passed, life changed and we may not have talked as often, but the bond never faded. Our friendship taught me what real friendship truly is: genuine, lasting, and rooted in love and respect. For that, I will be forever grateful.

Onaji will forever live in my heart, and I will always cherish and share the memories of the times we had together. Praying for comfort, peace, and strength for the entire family during this difficult time.
