“ Dear Bray Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ *My dear Sister. She was the epitome of Christianity. She was a role model for all of us and always saying and doing something to encourage and lift you up. When I think of Simpson Street Church of Christ, her face is what I see, that beautiful warm engaging smile and warm embrace. I am so glad I got that opportunity to know her and spend time with her. She will forever live in my heart. I loved her and always will.*
