“ Hello everyone, I'm Muffet Simpson. The life of the one we love is never lost. It is with deep sorrow I write this tribute. Allow me to express my sincere condolences to the entire family and further state that I am sorry to hear of your loss. You all are in our thoughts and prayers. I am indeed happy that I met aunt Fay in the year 2013. I spent merely two weeks in her company, we connected immediately and she impacted me in that short period. I have found her to be a beautiful woman inside and out with a gentle and caring nature, very authentic with people always offering valuable and truthful advice. I admire the wonderful mother, she was. My favorite memory of her was when we spoke about Jamaica, her recollection was remarkably wonderful and comfortable. Conversing with her was just awesome. Dan and I would have wanted to pay our last respect in person but unfortunately, we are not able to, so we join you in spirit as you mourn. I hope that she rests in eternal peace and light perpetually shines on her.

My sincerest condolences to the family of our beloved sister, Ophelia. I will always remember her for her quick smile and always telling me that she was praying for my daughter. Her desire was always to be in attendance at church services and even when she was unable to attend, that desire never wavered. Her fried fish was always a great hit at our Decatur Bible Chapel, Stone Mountain Cell Group. She will be missed by her loved ones and friends but take comfort in knowing that she is now in the presence of her Lord. The Lord bless and keep you all.....Lorraine James.

*My sincere condolences to the family of the late Mrs. Ophelia Lewis. She was a wonderful person who loved the Lord. She was an excellent cook and baker and would give me cooking tips. So glad to have met Sister Ophelia and her wonderful husband, the late, Mr. Lewis. She is now in the presence of her Lord. May the Lord strengthen and comfort her loved ones. God bless... Pamela Brown.*

“ *Such a nice lady. Every time I saw her she would say she was thinking about me . I still look for her when I go to the farmers market where we met a lot when she was mobile. She loved to walk. May her beautiful soul Rest In Peace. Love you grandma*
