“ *Ms. Virginia was one of the sweetest ladies ever. I love her smiles and hugs. I went on a ladies retreat with her a few years back and we had so much fun being roomies. She was always a bright light to so many and she will be truly missed here on earth while she is dancing with Jesus!*

Virginia will be truly missed. She welcome me to Massachusetts and became my hanging partner. My sister was married to her brother, so when I moved to Massachusetts she became my best friend and showed me what Boston had to offered. We did so much together. So when i moved back to Ga. we kept in touch throughout the years. The next thing I knew she has moved to Decatur Ga around the corner from me. We start hanging out again. She was a great friend and I really miss my Virginia. Hold a place for me Virginia.
