“Oran was one of the best human beings I’ve ever met. We became good friends when he lived in Raleigh. I was always hoping he would move back. We talked about it often. I’m just so sorry it didn’t happen. He was the kind of friend that would do anything for you... There are not many people like that in this world. Oran, you will be sorely missed. ❤️. Keaton Geiger

“My Uncle QP words alone cannot describe how much you mean to me as very kind, respectful, and loving Uncle. I remember I was going through a mighty trial and you opened up your door to me and my children and I will forever be grateful to you for that. You made me feel self worthy and to pick myself back up again and trust God. I will miss your kind voice and never a complainer about anything, just very positive spirit. I’m glad I was able to spend time with you to witness and feel the presence of the Holy Spirit. I’m confident that your spirit went to our mighty God. I love you and will cherish your memories as an Uncle and forever in my heart. RIP love ❤️ your Niece Suzette!

“ There are no words to describe the hurt of losing a love one..all we're left with is just the memories....memories of good times...fun and laughter 🥰.I had the opportunity of living with you for a year and it was an honor and a great privilege for me to be in your presence...I remember us sitting at the dinner table many nights...me, you and mom, and we would crack jokes and laugh while eating...You were so funny 🥰. I guess that's the side of you that many people didn't get to experience because you always had this seriousness about you...that's because you were a man of stern principles and high ethical standards. You never settled for average when it came to life's performance and achievements. Your examples were unmatched. The world may know you as ORAN CHARLTON, but to me you're Uncle Cupie..You will be greatly missed by the entire family..You came , you saw and you conquered. Rest well Uncle. 🙏
Until then...

“ Uncle Qupie was a gentle loving person, he was always so calm and giving great advice and always tell me things will get better. What I will remember most is that he is always smiling but for such a quiet person I remember his loud laughs when they were loud. Growing up as a kid I always just knew him as Uncle Qupie I never really heard anyone called him by Oran, but I was called Oran by by grandfather for many years and it wasn't until I was older that I realized my grandfather was calling me his name. Uncle Qupie you are loved and will be missed and I will hold all my memories of your visits to Jamaica, my visits with you and our talks forever.

“ It is with great sadness that we share the passing of our dear Beaumont schoolmate Oran, who left us 2 weeks ago. Oran was remembered by all as a calm, kind and easy-to-talk-to individual. He will forever hold a special place in our hearts. Our thoughts and prayers are with his family during this difficult time as they grieve this loss. Oran, may God be with you as you rest peacefully in his loving arms.

Family, even today my heart feels such a void and emptiness knowing I can't pickup the phone and talk with Oran, or help decorate in his home, or even laugh about the things and people at the Hilton(40 yrs ago). I will indeed miss him but will always cherish our friendship.

“ Uncle Oran, affectionately known as Uncle Qupie, it took a while for me to write this message. It means acknowledging something I did not want to accept. You have left an indelible mark on me and I will cherish the memories as long as I live. You were a kind and loving person. You believed in hard work and dedication to what you wanted. I was so happy we were able to have a few laughs and good conversation when I came to visit. Being able to pray and see the holy Spirit touch you filled my heart. I was hoping for the best, but God needed you more. You are in the arms of the the angels, free from the cares and worries of this world. I love you Uncle Qupie and I miss you immensely. Sleep well until we meet again. Love always, Leisa.

I remember Qupie as a scholarly individual who loved learning and who sought to broaden his horizons by emigrating to the United States. We all admired his achievements in life and pray that his soul rests in peace. Oswald Mitchell (Bim)

I recall a very happy and kindhearted Oran, who had a zest for life. As he takes his eternal rest, may his soul rest in peace.

“Oran and I attended Beaumont Comprehensive College in Mandeville. We travelled together to Junior college in Durham NC 1972. We subsequently, moved to Raleigh NC in 1974 where we completed our BS. We were roommates. We both worked for the Holiday Inn.

Oran was very studious, completed all his assignments on time, very tidy and neat. He presented himself professionally, did not drink alcohol or smoke. He spoke his mind.

His presence in my life undoubtedly kept me focussed and grounded. We never fought or quarreled.

I left for Atlanta in 1979. Oran followed some time after 2000. We spoke on the average every two weeks but in his last days since May it became every month.

Oran and I talked about God and asked that his will be done in Oran's life. Sharon and I visited him in the ICU at Piedmont-Monroe on August 12, 2024. He was very ill and could not speak audibly but he recognized us by nodding. I asked him if we may pray for him and he nodded yes. Sharon prayed and Oran acknowledged. I feel certain that Oran will be in eternity with Jesus.

Therefore, I know that I will certainly see him again.

Condolences to Oran's family. Sorry to hear of his passing. We attended Beaumont Comprehensive College in Mandeville where he was a model student. We are never ready for the passing of our loved ones however, if we are faithful to our Creator and Lord and Savior Jesus Christ, we live with the hope of reuniting.

The Golden Morning is Fast Approaching. Let us live with love, caring and compassion as we await the return of Jesus to redeem us from sin, sickness, dying and death.
