“*Bro. O., my dear friend, I am heartbroken, but yet happy that I got the chance to chat and laugh with you shortly before you departed this life. I am still trying to come to terms with this. I am certainly going to miss you. Picnic will never be the same without you neither will many of the other functions we have at church. Your memories will forever live on. Tahira will miss you dearly. I HAVE LOST A FRIEND. Sleep well my friend until then...*

*To the family of Osbert Dolphy, please accept my deepest sympathy during this difficult time.*

*Lorraine Linton and Tahira Duncan*
