“ Dear Grady Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection “ There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ *Oscar (I called him Grady or Mr. Big) is the love of my life, he was the center of my universe. I called him my southern gentleman with a tint of red, I really loved and liked him. He was a godly man who respected God's word to the point of obeying the principles of living a righteous life. I enjoyed everyday we spent together and knowing him was my privilege. God favored me when we meet 45 years ago and I'll be glad when we meet again in heaven. Rest my love, your labor on earth is over.*
