“ *My nephew was always a mild mannered humble guy to me. I would visit his parents home and if he was there he would give me a fist bump and said ‘ whad up uncle’ always pleasant to be around. Man did he love his parents and siblings, yes indeed, and a true mama’s boy like myself too. I am pretty sure he was a real great family man because he wasn’t taught anything less. I Will miss the fella. I hear-by pray for the entire family, his parents and his immediate family and kids. May the good lord have mercy, protect and keep them, grow them in his spirit and love and give them great success in this life and a saved soul with Jesus for the one after.*
