“ I’m so sorry to hear of Mr. Boles’ passing. I was his neighbor for a few years. He was very kind, and I enjoyed listening to his stories. Seeing his car in his spot with the dashboard protector in the window always brought me a sort of peace when I returned home from work each evening. I haven’t lived nearby for quite sometime, and I’ve thought of him often. My heart is full of love for his family during this time of grief. ❤️
