“ *Sugafoot, A year has went by, I released STARS, because you where and ALWAYS will be a SHINNING STAR in my eyes, and in my Loving Memories, I'm glad to have been the elder of the family next to you....! All five of your heirs has something of you in them, myself I have the warm, tender, loving, caring, sharing spirit in me. I don't regret it in no way. I share my tears along with PEACE....! GOD do things for a reason, I don't question him. I've accepted it and I know I will see you one day, as someone to me." No one wants to die, but WE ALL will die one day"*

The Bible also gives us comfort and hope to see our loved ones again here on earth by means of the resurrection. "There will be a resurrection of the righteous and the unrighteous " May you have peace as you think about this beautiful hope for the future.*

“ *I pray for special courage, peace and love for the family. It's not easy to cope with the loss of a mother. A mother who had a special place in your heart. The loss of a mother can never be replaced, but the love of a mother can never be lost. Please be strong so that her soul can rest in heaven...*

“ Our MOTHER,
Although she is not here, she hear/see,our
cries, she walks beside us as always, we hear
her voice, see her smile, she understand our
fears, we can't see her visiable with the
human eye....! But we can hear & see, talk to her in silence & out
loud and her SPIRIT will reply....! Where you will feel the LOVE she
had for ALL of US.
Death brings pain, that time can only heal. No words could ease nor
express what WE are truly feeling or what WE are going thru but
with God OUR MOMMA joy is eternally sealed. So cherish OUR
memories that death could never steal. My deepest condolences to
my Sibleys
