“ *Mr. Wright was my teacher at Champion when it first opened up. He never lead me wrong. Always taught me right from wrong, ethical from unethical. He had the best attitude, was respectful, and was always a cool cat. I needed guidance that year and he really taught me how to grow as a man, and as a Black man. Will always have love for him for that. Rest In Power good sir. Always.*

“ *Mr Wright was my AP at Cedar Grove. He was amazing with staff and students, and I will always remember him as being such a great leader. I recently talked with him as he completed my recommendation for admission to Harvard. I was accepted and I've since graduated. Thanks Mr Wright. My condolences to the family. He always spoke so highly of his wife (my Spelman Sister) and his children. He was a light and his memory will last for always.*

“ *I'm sorry to have to post this tribute but I felt it a duty to send my heartfelt condolences to the family of Mr. Wright on behalf of the Brooks family. I've only had the pleasure of meeting Mr. Wright in his capacity as Assistant Principal at Cedar Grove High on a few occasions and through conversations with my wife who teaches at Cedar Grove High but I can say that I came away impressed with his professionalism and demeanor. Godspeed and have a peaceful journey....*
