“ My condolences to the Harrell family. While I didn't know Ozzie Jr personally, we are connected through his parents, my neighbors and my kids and school. Growing up this young man, his sister and parents shared there backyard playground with my kids, a memory they will always cherish. As he grew up along with his sister, Debra and I continued to share precious moments of our kids new home purchases and new jobs and the love of their life. We will never forget and continue cheering those memories past and present. May God bless the family in prayer and in strength.

“ OJ you were a bright spot in this life. I remember when you went to pick Brittany up from summer school and you found her walking, you told her never to do that again, that something could happen to her. Your caring spirit was beautiful. We will miss you and love you always! Aunt Val, Uncle James, Brittany and Jordan.

“ *Coach Harrell this is Alex Love... not sure if you remember me but I'm class of 02' I played with big Marc and JP... coach Nick coached me all through high school. I'm one of the original DBs of the Dynasty family. I remember Little Ozzie coming up under us and helping establish the great football program that CGHS is today. I ended up getting a full ride to Wofford College where I pledged Omega.*

So me and your son not only connected as family on the field but we share a bond that cannot be torn with Omega. When I heard about what happened I couldn't believe it and you have my deepest condolences. Your son was a great guy. We occasionally kept in touch and I was elated when he crossed those burning sands some years ago.

Stay strong coach. We know Ozzie was god fearing and a believer. So he is really on a vacation waiting for us to get there. Love never dies coach. So we always have that! . 🙏

“*Mr. Harrell was the educator all students deserve. He genuinely cared for every single student at SMHS and was passionate about seeing them succeed. He was responsible for many of our past seniors being able to walk across the graduation stage and every student saw on his face just how proud he was of them. So many students have remarked that if it wasn't for him they would not have graduated.*

As a colleague, he was a source of encouragement. He was always willing to lend a helping hand. His positivity made me feel like anything was possible. He would notice when I was feeling overwhelmed and anxious and would always reach out to see if I needed help. Many times, his simple words of encouragement were exactly what I needed.

I admired him as an educator, not just in the care he showed the students, but in his ability to teach, as well. He instilled in his students many tools for the future through his economics and personal financial literacy classes so that they understand the world they are entering as adults and work for a stable financial future.

He planted seeds in the hearts and minds of so many students to hope and work for a better future, to never give up. I have planted 3 memorial trees in his honor. May these trees grow as a symbol of the lives he touched and the impact he will continue to have on those fortunate enough to know him. As they grow, so his influence will continue to live on in our hearts and minds.

Even though he is gone, he will always be a part of our Pirate family. Once a Pirate, always a Pirate.

Rest Easy, knowing that by positively changing the lives of your students will changed the world.

“ Mr. Harrell was an AMAZING person. As an educator he was passionate about the success of all students, not just the students in his class. He cared about them and their success in school and beyond. He left a mark on them they will never forget. As a colleague, he always brought high energy and a positive attitude. I enjoyed working with him, he was a great motivator. No task was unattainable, nothing was impossible, he always spoke positivity into any situation. He was an all around great guy. I will truly miss him and his robust energy. Thank you...I won't forget. Now you rest well, Harrell....your job here is done.

Kendyia - September 13, 2023 at 08:49 AM

“ I will always remember how Mr. Harrell jr. would ask me "how is your day going, do you need anything and have a nice day with a radiant smile that could light up a dark room. ". He was such an inspiration to all that he came in contact with. He showed great leadership with every project he touched. Mr. Harrell jr. will be missed, but most of all the joyful spirit he brought to everyone that illuminated lives will be missed. I would like to also extend my condolences to the family, for without them, Mr. Harrell jr. would not be the man he was " A bright Beacon of Hope for our seniors" Rest Mr. Harrell jr., your work on earth is done.

“ *Ozzie you were a great man. You also made people feel welcomed and accepted whenever you met them. You had a lasting impact on the students at SMHS and the staff. Your smile always lights up a room and you will be missed brother. I'll miss the advice you've given me over the years from being a coach to being my co-worker/mentor. You gave me confidence in my ability to be a leader and a mentor to the future generations. We love you brother and I'll miss talking ball and life with you everyday in school. Stone Mountain will not be the same and it is hard to walk into the building knowing you will not be there next to me talking about crazy football and life stories. We love you man! Make sure you talk ball with God and we will see you again.*

My Condolences to the family as you grieve and heal. You all are in my prayers daily and nightly.
