“ I am so grateful to have known and connected with Dr. Pam DeVeaux on so many levels. I met her when she was the First Lady of Metropolitan AME Church and knew her from afar. Several years later we were honored to have her present (let me be honest, she preached) at our Annual Women's Retreat. I served as Chair of the retreat and was awestruck to have the now-Episcopal Supervisor in my presence but, as always, she was warm, engaging, full of wisdom and laughter, and all of us were blessed as she poured out on that weekend.

Years later when she became Episcopal Supervisor of the Second Episcopal District, we all welcomed her and Bishop DeVeaux back home. When she invited me to help plan the Deliverance Conference, I once again witnessed her enthusiasm and creativity as she shared her vision for empowering the Second. I will always remember her warm smile as I left her home after the first meeting, "Here we go" she said, "let's see what the Lord will do" - and oh how Holy Spirit moved!

My mind is filled with the many conversations we shared and the genuine love and joy that flowed from her. She was a gift from God not only to her family but to all who knew her. To me she was a role-model, mentor, encourager, and sorority sister.

To Bishop DeVeaux and the DeVeaux family, you are in my heart, thoughts, and prayers. Cherish the memories and may God's love hold you close now and in the days to come.

Blessings!

“ Dr. Pam was an awesome woman of God. She was gifted to preach and to prophesy. I first met her some years ago at St. Paul AME Church, Covington, GA when she was the speaker for our annual Women's Day program. I was in the choir leading a song, after which she prophesied over my life and asked the entire church to surround and pray for me. Not long after that, I went through a trying time, but I knew God had me and I remembered Dr. Pam. I was forewarned through her but I was ready, prayed up, and prayed for and God got me through it. I will always remember her and how God used her in my life! Beautiful, sweet, kind, and caring Dr. Pam. May you rest in peace and may your family be strong and comforted in the Lord. “ Pam, as we affectionately called her at Metropolitan, was a joy to serve with. She had a real passion for the marginalized. I will always remember a mission our trip to Trinidad. Although we never forgot our mission, we found time in between serving, teaching and preaching to sit by the pool with Pam listening to one of her famous jokes. Pam was a friend to all. On one occasion when she preached at Faith Presbyterian Church, my sister remarked, "I was surprised that she remembered my name." That was Pam; she was truly a people loving First Lady and Episcopal Supervisor. Bishop DeVeaux, Ed and I send our prayers to you and family during your time of bereavement.

“ I will cherish the memory of the graceful, joyful, humorous, thoughtful spirit of Dr. PAM. I remember our discussions in preparation for the 2011 Quad in Orlando and her participation during many Connectional WMS meetings. She was a true hit in Greensboro as she entertained us on District Presentation Night. She encouraged me in reading items at the 2003 Quad when we revamped the C&B of the WMS under Bishop DeVeaux's leadership. Dr. PAM was always a positive person who sought peace and understanding in all of her undertakings. I will remember her strength during the passing of both Rev. David, who was a blessing to the 11th District, and her daughter. Although Florida may have held mixed thoughts for her, she pushed through with strength and dignity. We will miss her smile, her style, her tenacity and her example. Also, the hats, the shoes, the ensembles that wowed us all. God bless you, Bishop DeVeaux and the family. “ I shall never forget my personal encounter with Dr. Pam when she and Bishop DeVeaux first came to the 2nd District. At the end of a District meeting, Bishop DeVeaux asked Reverend Dr. (now Bishop) Seawright to find someone to take Dr. Pam to her hotel as they were staying at the MGM at National Harbor in Ft. Washington. I was on my way home and Bishop Seawright spotted me and asked if I would take Dr Pam to her hotel.

Of course I said yes! A bit anxious and nervous about driving the Supervisor of the 2nd District in my car and wondering what would I talk to her about and how I had to use my safest driving skills, she immediately put me at ease and had me laughing all the way from Reid Temple to the hotel. Dr. Pam is a loving, humble, and authentic Spirit who loves God; loves family and loves all of God's people including those without title, position, fame or fortune. I thank God that God allowed Dr. Pam to pass my way!

Like many, I was shocked to hear of her sudden transition! I will always treasure the intimate time we shared together. I am praying that the Holy Spirit will continue to stand with Bishop DeVeaux and the DeVeaux family as they lean on the Lord for strength during their time of sorrow.

“ My condolences to Bishop DeVeaux and family. As a member of the 6th Episcopal District, I remember former Supervisor, Dr. Pam, as a connoisseur of the Arts. It was refreshing to see our Episcopal Supervisor involved in theatrical plays and presenting them to the flock in the 6th. Her faith that her spirit of blessing us with "plays" could mold us and elevate us came to fruition and meant a lot to me. Isaiah 64:8 "Yet you, Lord, are our Father. We are the clay, you are the potter; we are all the work of your hand." - Sharon Russell, Saint Philip AME, Atlanta.

“ We were each other's confidant and road warrior during she and Bishop's tenure as the Episcopal team for the 2nd District. A classy, sassy lady who said what she meant, meant what she said but never said it in a mean way. Although she was conferred a PH.D on earth, God has conferred upon her The Master's Degree in Matrimony & Motherhood. Dr. PAM Graduated To Glory with honors as a Devine Deveaux now transplanted to bloom in The Master's Bouquet. A Masterpiece who has now recieved The Master's Peace. Love You.
