“ When I think of my good friend Pam (aka Skeeter) and the times we  
spent in Jamaica, I am reminded of the phenomanal times we  
shared. Pam enjoyed photography, especially taking pictures of the  
sunsets and writing poetry. As I reflect on those good times, this  
poem by Kriz Summer comes to mind

*" People ask why she loves sunsets if they mean that everything  
has their end.*

*But the color of the sun is what makes her happy.*

*It reminds her that whatever happened the entire day, you can still  
get a beautiful thing in the end."*

*I will miss my optmistic friend.*

*Pam, until we meet again.*

*Love you, Sharon Samuel*
