“ Pam, although we never met personally, I feel as though I knew you through my sister-in-law Martha & brother Benny, your struggles and valiant battles were talked about among our family. It was always " Pam is going to do things Pam"s way". You were a strong, determined and courageous young woman who lived life her way, and with a strong faith in God.. You fought the good fight, even unto the end, but God saw that you were getting tired and he called you home. So Pam, rest in the arms of our father until that day when we are all reunited .

“ Pam from the day I met you we became friends. We were buddies, we were pals, but at the end of the day yes we became those inseparable sisters. You were one of the strongest persons I knew, I was there with you and I held your hand a many of nights. We laughed, we cried, we partied, we traveled, we prayed, together. Pam You were like a ray of sunshine. There were times when we would be up all night just laughing til we cried, enjoying each other's company. Pam I love you, and I will miss you. "so Pammie" Take your rest" Til We Meet Again!

'I'M FREE'

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savoured much,
Good friends, good times, a loved one's touch,*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.*

“ Always clicking away on her phone camera and taking "selfies". I will NEVER forget her smile and ease about just about everything. She was at may home when she found out her father had passed, my mother had just passed only weeks prior to that. She comforted me as I comforted her. We will miss you Pam...

Sister Pamela you will always be in our hearts. We love and misses you dearly. You were a God's given person sister, and true friend. I'm so glad to have met someone like you. I was so saden when you relocated from New York times Georgia. I felt I was missing a wonderful person. Just the little time my family and I have met you. You filled our lives with lots of joy and laughter. I miss those pies you use to make and bring next door to us. Most of all your personality. That will always go a long way with me. I'm so glad I have gotten the opportunity to make it to Georgia to see you, before you took your last breath.
