“ As my wife said you and your family are a part of our family and there are both good and bad memories. I remember when we lost our son Shaquille. Paris was of course at our home that terrible night. He and Ishmael ran upstairs to tell us something had happened. The emotions that night were too much to bear but that night he lost a brother as well and he was clearly as heart broken if not more than we were. When I saw his face I felt everything all at once and as any Dad all I remember is wishing I could fix it. Your family is our family and I wish I could fix this too. I will dearly miss him but I thank God for allowing Paris to be in our lives.

“ *Since you were part of our family I have both good and bad memories but the best one is you were Nataleigh's first crush, at 5 she was going to marry you. She was so happy you were going to the beach with us and how you prevented her from being lost on that beach by running down the beach to catch up with her so she didn't get lost. Lol. You both were running so fast. Thank you for everything you did thank you for being the best friend to Ishmael especially when he needed you the most. SIP ❤️❤️*
