“ To Kesha, Merlin & Family,

*It is with a sincere heart of sorrow that I express deepest condolences to both of you and your family at the transition of your beloved mother (Ms. Parthenia Ector). She now reigns supreme with the “GREAT I AM”, the most Holy one.*

*Now...the IVY which grows Beyond the Wall—her crown is centered and adorned with beautiful pearls.*

*Though your hearts are heavy; FAITH in a risen king has given us to know your beloved mother has stepped up a little higher. She now keeps watch from the distant sky. In this space—with FAITH and holding to God’s unchanging hand, with strength and courage, we too will one day share.*

*May the Peace which comes from God give each of you comfort in the days to come!*

*With Deepest Sympathy and Faith in He who has risen,*

*L. Clark*

*Ector family, I continue to uplift you all in prayer. Keep your head held high, think about how, she would want you to have peace and understanding. God makes no mistakes and he only wants to be surrounded by his best servants. Hold on to the fact that she loved you while on earth, her love will continue to grow as she flies in Glory. May the work she did speak for her.*

*To Merlin, Keisha, grandkids and the extended family. Ms. Ector played an important part in my upbringing and she was an extended family member to me and others around her. She was a truly beautiful and extraordinary person who opened her heart and home to everyone. God has picked a special flower for his garden. It's probably nothing that will comfort you right now but I hope prayers and words of encouragement will comfort you in days to come. Always your friend
