*I'll miss my grandma and pastor. She led me to christ and baptized me when I was 16 years old. Shell always be my pastor from Faith Baptist church. I'm sending flowers cause I cant make it. Some people think its appropriate to do a funeral service during the week instead of the weekend. I cant get off work and fly down and back fast enough grandma but I'll see you again one day.*

“ Uncle Willie and Aunt Martha's children, grandchildren and other relatives, My prayers go with you that you may be comforted by the God of all comforts. Thank you for sharing her love with the rest of the family for these over 50 years that she and Uncle Willie were together. She always said that she was "blessed by the Best and praying for the rest." Today we know that she truly is. Praise God for her life and all that she will continue to do through those who loved her that she left behind.

Lovingly,  
Rev. Dr. Margaret L. Blackmon
