“ *Geraldine, All the words in the world would not be enough to say how sorry I am for your loss...for all our loss. Ricky was so much a part of some of us that he will never really be gone. Ricky was so talented, and my singing grew so much while working with him. Those times meant so much to me and I know that I was blessed to have known him. I love you all, and may God send a spirit of peace to comfort you.*

“ Dear Geraldine and family,

Our deepest sympathies go out to you. May God's love and peace comfort you at this time. It was our pleasure to have spent time with Rev. Carter and you on the few occasions that we were blessed to do so. We had a ball with the two of you on the cruise. Rev. Carter will be missed. Unfortunately, we are both scheduled to be out of town and unable to attend the service, but our thoughts and prayers will be with you and the family.

“ I wish I were able to be there but know that my thoughts and prayers are with you guys! Pastor Carter was truly a good man to know! He was always enthusiastic about the young people hearing, learning and doing the word of God! He was always there to encourage the children as well the adults of the church to go to school and do the best that you can do in school! One of the many found memories I have of Pastor Carter was his appetite, we went and fellowshiped as a church to many wonderful restaurants on his behave! A great man who had a awesome appetite for the word of God and food! My children and myself will always cherish the many memories we had of Pastor Carter! May he Rest in Paradise! Love always Sister Martesa, Isyss & Inika
