“ *My most favorite memory of Patrice is when we met and became friends and I would take her to work somedays. I saw her grandmother (Thelma) in Piggly Wiggly one day and she told me that her granddaughter Patrice lived in the same apartment complex where I lived. I saw Patrice when I returned home and asked her was her mother named Joannie. She said yes and I said girl we are second cousins. "We laughed"! I told her that her mother and I were two sisters children. Nylah and I will certainly miss Patrice. She was one of the sweetest people we knew just like her mother Joannie was. It was a pleasure to know her, especially that sweet smile she had which we will never forget and to find out we were related made it even better. Family, may God bless you and keep you strong. Miracle, stay beautiful and loving. We are praying for you all. From, Surina (BaeBae) and Nylah with love ❤️.*
