“ Pat Baker was an extraordinary person. She had so much compassion for mankind; which made her an excellent nurse. I had the pleasure of working many years with her at Cigna. I will miss her very much. I pray that all her pain & suffering is over and that she is dancing on the streets of gold in presence of God.

“ I had the pleasure of working with Pat for many years at Intracorp & CareAllies. She was always so kind, calm & reassuring to her patients & coworkers alike. She was the Nurse you hoped a beloved family member would have, during a difficult time. My condolences to Marcus & her entire family. She cherished you so much.

I worked with Pat when I came on board CareAllies. She was always a great help in explaining how things should be done. I will cherish her always. My sincere condolences to her son, family, and friends, especially to Peggy, to whom they became the best of friends.

“ It's hard to grasp my friend is gone - sleeping. We met at Berean church years ago and then followed each other to Decatur. So many precious memories - and things that I will miss her. I am praying hard for Marcus the family and all of us who loved her dearly 🙏❤️🙏. Come Jesus soon. Rosemary Graham

“ Rest in heavenly peace Pat. My condolences to her family. Pat and I met at work in 1999 and we became fast friends. That friendship lasted throughout the next 25 years. We laughed, cried, prayed and just hung on through many situations. We had a special nickname for each other, June Bug, and the memory of that makes me smile through my tears. I know no one is going to stay here on earth forever, so I am sure that Pat has settled into her heavenly home. I miss you so much June Bug 😭 May God comfort her family and loved ones

“ Pat was a friend to my brother, Hardwick Stanley. My husband and I celebrated Hardwick’s birthday with them at Paschal’s Restaurant. I met at her home on another occasion where she celebrated Hardwick’s birthday. She was a very kind, helpful person to my brother. I will always remember her for being so kind to my brother and in general.

“ I had the pleasure of working with Pat for a number of years. She was kind, sincere, and very caring nurse - the kind of nurse you hope to have. I remember that she always had a smile and way or reassuring others, especially the patients and families she served. Pat will surely be missed. My sincere condolences go out to her family and friends.
