*Robin, Please know that I am thinking and praying for your family. Pat and I were inseparable in school and I was at their house on Benbow Rd as much as my own. She was a friend indeed. I'm so sorry we allowed time to interfere with our keeping in touch especially after she moved away. Continue to love and support one another cause that's how Pat lived. Take care., a forever friend and classmate Bettie Stokes Garner.*

“ *My condolences to the entire Belk and Jones family. Sister Patty will forever be in my heart and remembered by me and my family. She's always been there for me even as a child as I grew up into a young woman at Garden of Prayer Baptist Church where she was a long serving member. I loved our long visits at her home and will forever miss the sound of her laughing. She was indeed a jewel and I'm see her in the morning. Erik thank you for sharing your mom with me whom I deeply loved.*
