“ Patricia and I lived in the same community. We went to the same elementary school and high school. We were in the same class together in high school. Working on the Trinity high class of 1965 reunion I had numerous calls with her. I will really miss our conversations because when I called her,, we had to catch up on our lives our children, our grandchildren, and I’m gonna miss that. Knowing that whole family all of my life, I’m going to miss her sister, and brother her aunts did hair at Williams’s beauty shop for many years. It’s just a family affair with us and we lost another one of our family members is hard on us. May she rest and heavenly peace we’re gonna miss you Patricia TAG as we called her. ❤️❤️❤️
