*So sorry to hear about the loss of Ms. Butler. I used to enjoy her coming to Samia's games and how (vocally) supportive she was. And even the conversations about her teaching career, she was always a pleasure to be around. We'll continue keeping your family lifted in prayer!*

“ *Mrs.Pat Butler and I met at Goodyear Elem where she taught fifth grade. Pat was a stellar teacher that demanded nothing but the very best from each of her students, and she got their best. The field of education salutes you Pat, for the legacy you left for us and future teachers. I will miss seeing you at line dancing but I know you'll be watching us and smiling. Prayers of strength, comfort, and peace is my prayer for this loving family.*

“ I met Ms. Butler at Goodyear, and the smile she greeted me with  
was one I will always remember. It was an honor to teach with  
someone who was truly an "Educator" in every sense of the word.  
Thank you Ms. Butler for being a wonderful example for me to  
follow. Prayers and condolences to the family.

“ Mrs. Butler my 2nd and 8th grade teacher. The only teacher that  
understood a lot of us boys. I will never forget in 92 our field day at  
Ballard elementary and we were Butler Bulls in honor of the  
Chicago bulls. Our sign was black and red and not to mention we  
came in first place in every event we competed against all the other  
2nd grade classes. Prayers and my deepest condolences for the  
family.

*At Grace UMC (Bwk), Pat was loved and she'll be missed. Pat shared her beautiful spirit with all of us bus most especially with the United Methodist Women and the Usher Board where she served. I was thrilled when she committed to work with the ushers. She seemed to enjoy it and worked diligently at being a good usher.. After Pat left Brunswick, I looked forward to the times when she would return and we'd have an opportunity to chat or she would pitch in and help with different activities that we would be hosting. With her, it was always "what can I do to help?" My heart aches in knowing that she's with the Father.*

*To Cleve and the family, we pray your strength in Christ Jesus at this difficult time.*
