“ Patricia was an angel long before going to heaven. She worked for me at the Y and was a true friend to all who came to our facility. I was also lucky to have benefitted from the life experiences she shared. She loved her family so much and was unbelievably proud of her children and grandchildren. She impacted many in the short time I knew her. I will always play April Fool's jokes in her honor as it was "our thing" (Patricia was an easy target for those.) 😊 May she rest in peace knowing she was loved by many.

Sending our prayer's to her children and Grandchildren I'm very sad of the passing of your dear mother. We worked together for many yrs at McMaster Carr. She was such a special Lady. I had found her number and called her about 6 yrs ago before we moved to SC and we talked about old times. Beautiful Lady May she RIP 🙏❤️ God bless you all.
