“ Hi Val,

I will always remember your daughter, Patricia, from when I came to visit my sister, Pauline, & we traveled to your place to spend time with you. While there, Patricia came & carried us to different places - restaurants & shopping near where you live while we were there. On one of our trips, she talked about her ex-boyfriend & had us laughing. Then back at your house, I remember her standing in your kitchen & cooking for us. She was such a sweet & lovely person.

I will miss her. I am still so sorry for your loss. You're in my prayers.
