“ Granny,

Thank you for teaching me how to play pool, even if I didn't quite pick it up the way you hoped. I'll miss your stories about painting houses, driving trucks, and giving men a run for their money. I'll miss you in ways I can't fully put into words. You lived life on your terms, and that's what I admired and respected most. I know you preferred Mom Mom, but you'll forever be my Granny, and you'll be deeply missed. Rest easy.
