“ *Psalms states that God will order his Angels to protect you where ever you may go. I send my deepest sympathy and condolences to all of the family, constantly praying for your strength. I know it will not be easy but I can assure you that your personal Angel is in a better place. She did her job here on earth and left behind many memories for you to Cherish. Heaven couldn't wait for her. Just remember that weeping may endure for a night but Joy comes with the morning light. Love you all.
