“condolences to Pat's daughter, granddaughter and other family members. She will always be remembered as someone who was full of life, and lived life to the fullness. Her quote was " Life without GOD is like and unsharpened pencil -- it has no point. " She will always be so dear to my heart. We shared so many wonderful times and memories together and she will be sadly missed but the memories will last forever!
Family, be blessed and remember that she is gone from us; but in an eternal place with her heavenly Father!
