“ *Pat is such a kind soul. She always smiled and make everyone around her feel at ease. I will miss her so much.*

“ *My Heart is crushed, and I'm struggling to find the words to say, or that I wished I had said to Pat after learning of her passing. I owe my entire career to her as she was the person who opened the door for me. I met Pat and Spurgeon during a rough time in my life. It was the kindness of their hearts that helped me through it. She was a special person in my life that I will never forget. Her memory will live on forever in me. Spurgeon, Ogie, Chandler, and the Parker and Oglesby families you are in our thoughts and prayers. May God Bless you all, and give you comfort during this time of grief.*

“ I worked with Pat on the Baylor, Scott, and White project. On St Patrick's Day, we decided to have a party at the hotel, and Pat came. We had so much fun eating, laughing, and sharing stories about our various projects. My heart is heavy that her beautiful smile will no longer be with us, but those memories will always be remembered. So very glad I was able to call her my friend.

Keeping the family and friends in our thoughts and prayers as you navigate and move forward. I was shocked to hear this news but thankful, nothing catches God by surprise. We are his children. He is our Shepherd.
